Community Giving Highlight

In 2019, individuals and businesses joined forces to make an impact in the community they love. By partnering with the CAMC Foundation, these community growers raised more than $54,000 to support programs and services they are passionate about at CAMC.

2019 Grant: $3,000,000

Nursing Education

Building a highly educated nursing workforce strengthens the quality of care CAMC provides to its patients and the economic health of our region. That’s why in 2019 the CAMC Foundation granted $3 million to provide financial assistance to nurses and nursing students that wish to complete or further their education at accredited nursing schools in West Virginia.

2019 Grant: $4,500

Treatment of Disordered Eating

In 2019, the CAMC Foundation partnered with the Disordered Eating Center of Charleston, located on the campus of CAMC Memorial Hospital, to help provide psychological treatment for youth and adults that are struggling with eating disorders. By leveraging technology and providing support to patients and providers, the Disordered Eating Center of Charleston is able to better screen and treat patients with disordered eating.

2019 Grant: $459,545

CAMC Health Education and Research Institute

In 2019, the CAMC Foundation supported research and education initiatives at the CAMC Health Education and Research Institute including support for an annual Research Day, summer research externships, pharmacy fellowship programs, and geriatric education and training. The CAMC Foundation also provided support for further development of the CAMC Simulation Center by purchasing simulation equipment that allows new opportunities for students to learn, train, and transform into skilled medical professionals.

2019 Grant: $49,674

Sepsis Research

By supporting sepsis research at CAMC in 2019, the CAMC Foundation helped our skilled sepsis research team provide sepsis training to various medical professionals, including CAMC clinicians and nursing staff. This training and research will improve the quality of care experienced by patients with sepsis at CAMC.

2019 Grant: $96,115

CAMC Cancer Center

The CAMC Foundation is a partner in care for patients of the CAMC Cancer Center. Funding from the CAMC Foundation is provided for an Oral Medication Navigator, Breast Cancer Survivorship Programs, Healthy Shape Exercise Program, and the annual CAMC Cancer Center Fashion show. In addition, the partnership includes financial assistance for patient’s co-pays, medical supplies, and other costs of care for patients associated with the treatment of cancer.

2019 Grant: $86,115

2019 Camc Foundation Hospitality House

The CAMC Foundation provides funding to the CAMC Foundation Hospitality House to significantly reduced lodging to family members of adult patients at CAMC as its more than 50 miles away from Charleston. The CAMC Foundation Hospitality House provides care and support to families while their loved ones receive treatment at CAMC hospitals.

2019 Grant: $174,535

**“We are fortunate to serve as the conduit for charitable care; to help CAMC deliver high-level clinical health care, to provide educational opportunities for practitioners to become healers, and to fund social medical services for those in need.”**

- R. Bryan Cummings
  - Senior Development Officer

The mission of the CAMC Foundation is to support and promote Charleston Area Medical Center’s delivery of excellent and compassionate health services, and its contribution to the quality of life and economic vitality of the region.
